Hey Wanny!
We've had some good times, and some not-so-good, but I'm glad we've survived it all. I'm going to miss you when you move to California. Don't forget to keep in touch. If you don't, I'll give Jim Carpenter your address so he can haunt you. (revenge is sweet!) Take care and stay the way you are — crazy.
Luv ya,

You cannot stand alone, for living encompasses each of our interactions with others. You must give and receive before you can live. Without others you are an empty shell, you lack beauty and life. Each moment of life is so fleeting and so fragile. Like oak leaves in the fall, each second drops from our lives, leaving only memories. Yet each second is so full, with so many different ways to fill the next. Each of our lives is so short, yet so vital to the rest of the world and so insignificant to all the parts of the universe.

Dear Andy,
I've been meaning to write you a letter for a long time, but I've been so busy with school and work that I've never had the time. I'm sorry it's taken me so long to write, but I hope you're doing well and enjoying your new job.

I've been thinking about you a lot lately, and I wanted to let you know how much I appreciate your friendship. You've been a great friend to me, and I'm grateful for all the memories we've made together.

I hope you're doing well and that you're happy. I miss you and I hope we can get together soon.

Love,

Tanya—

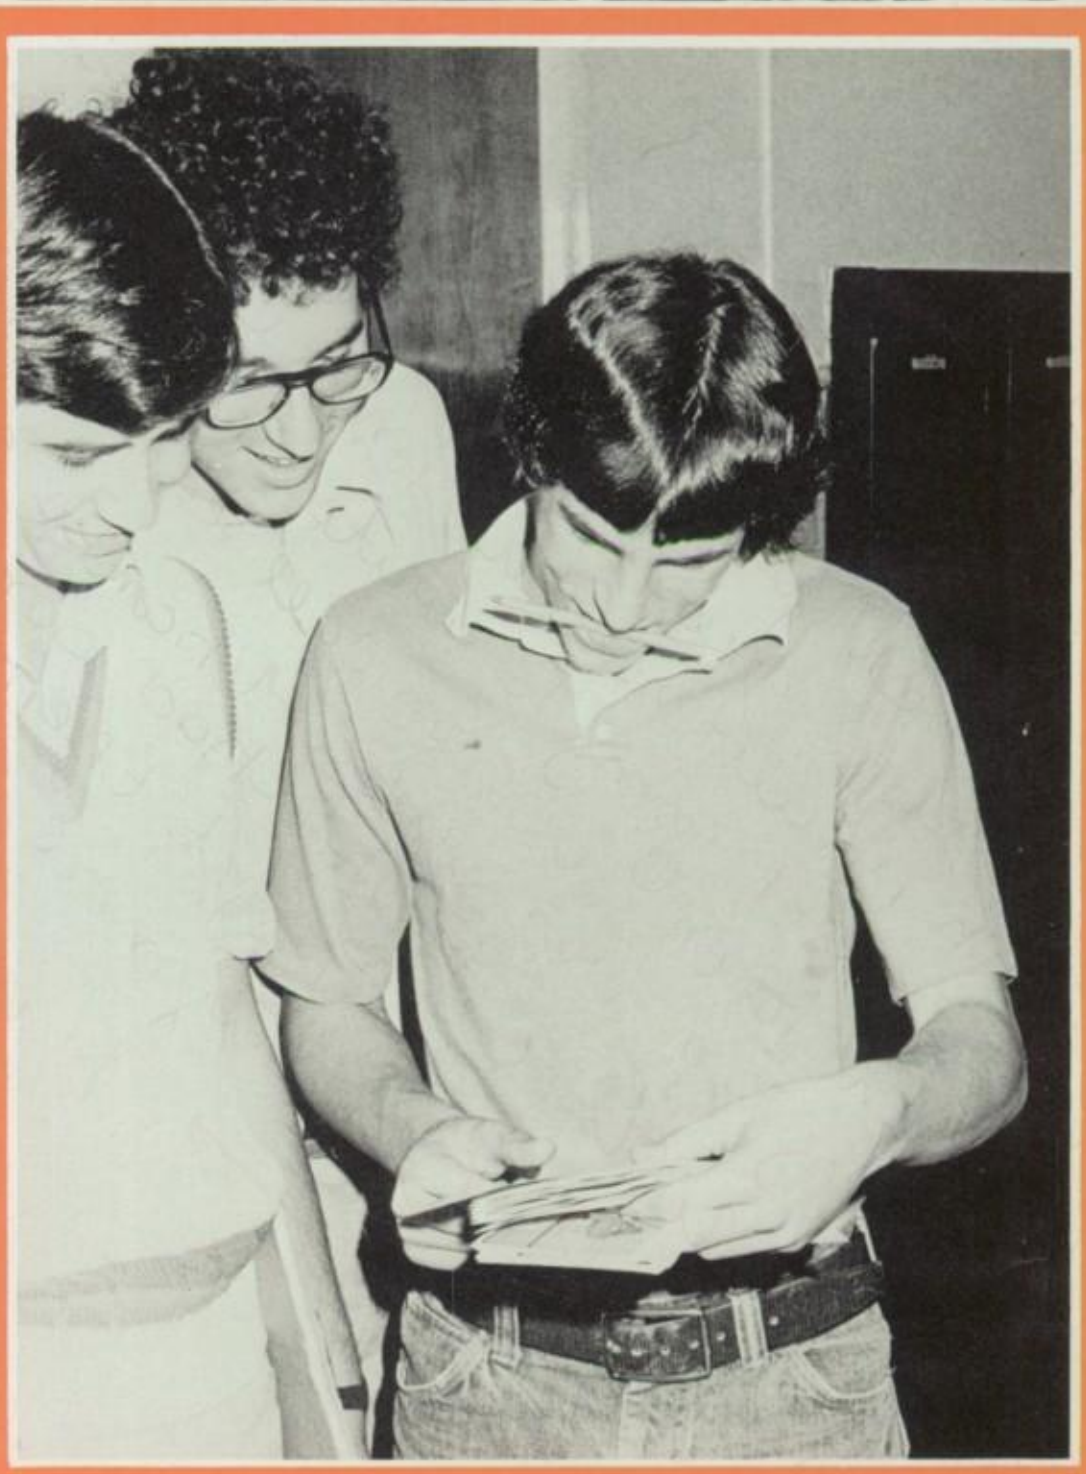
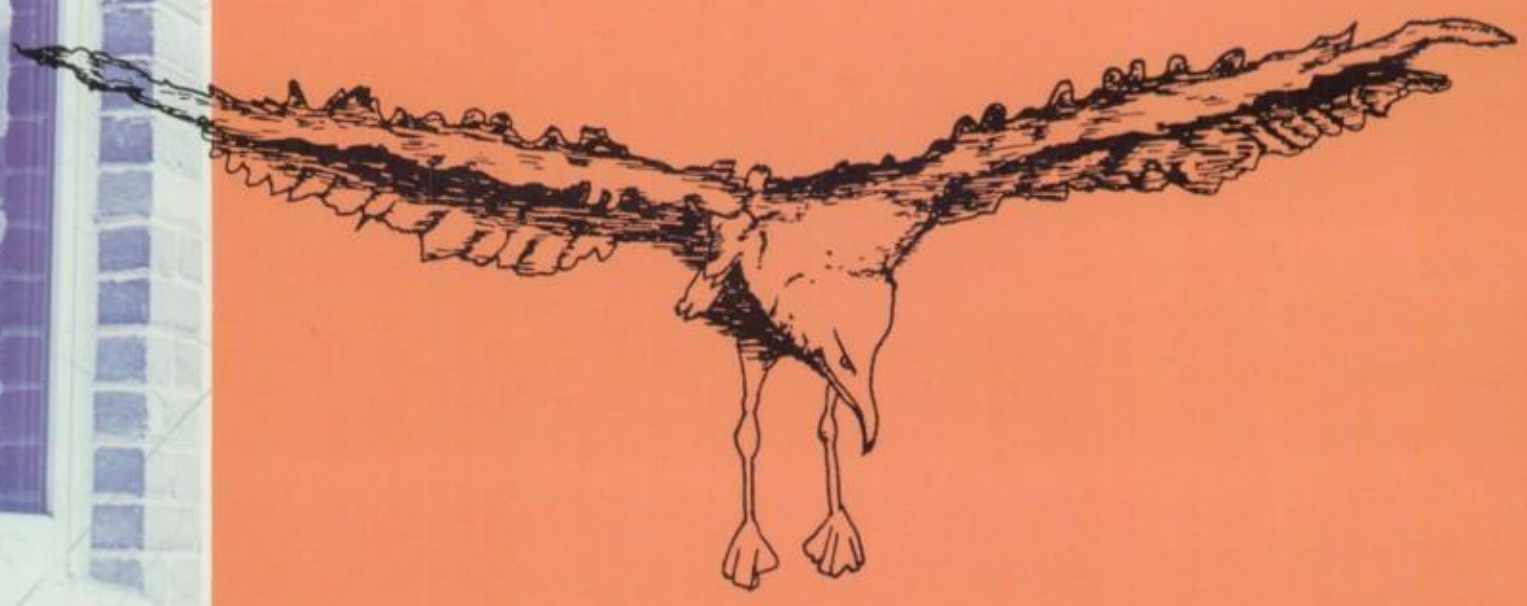
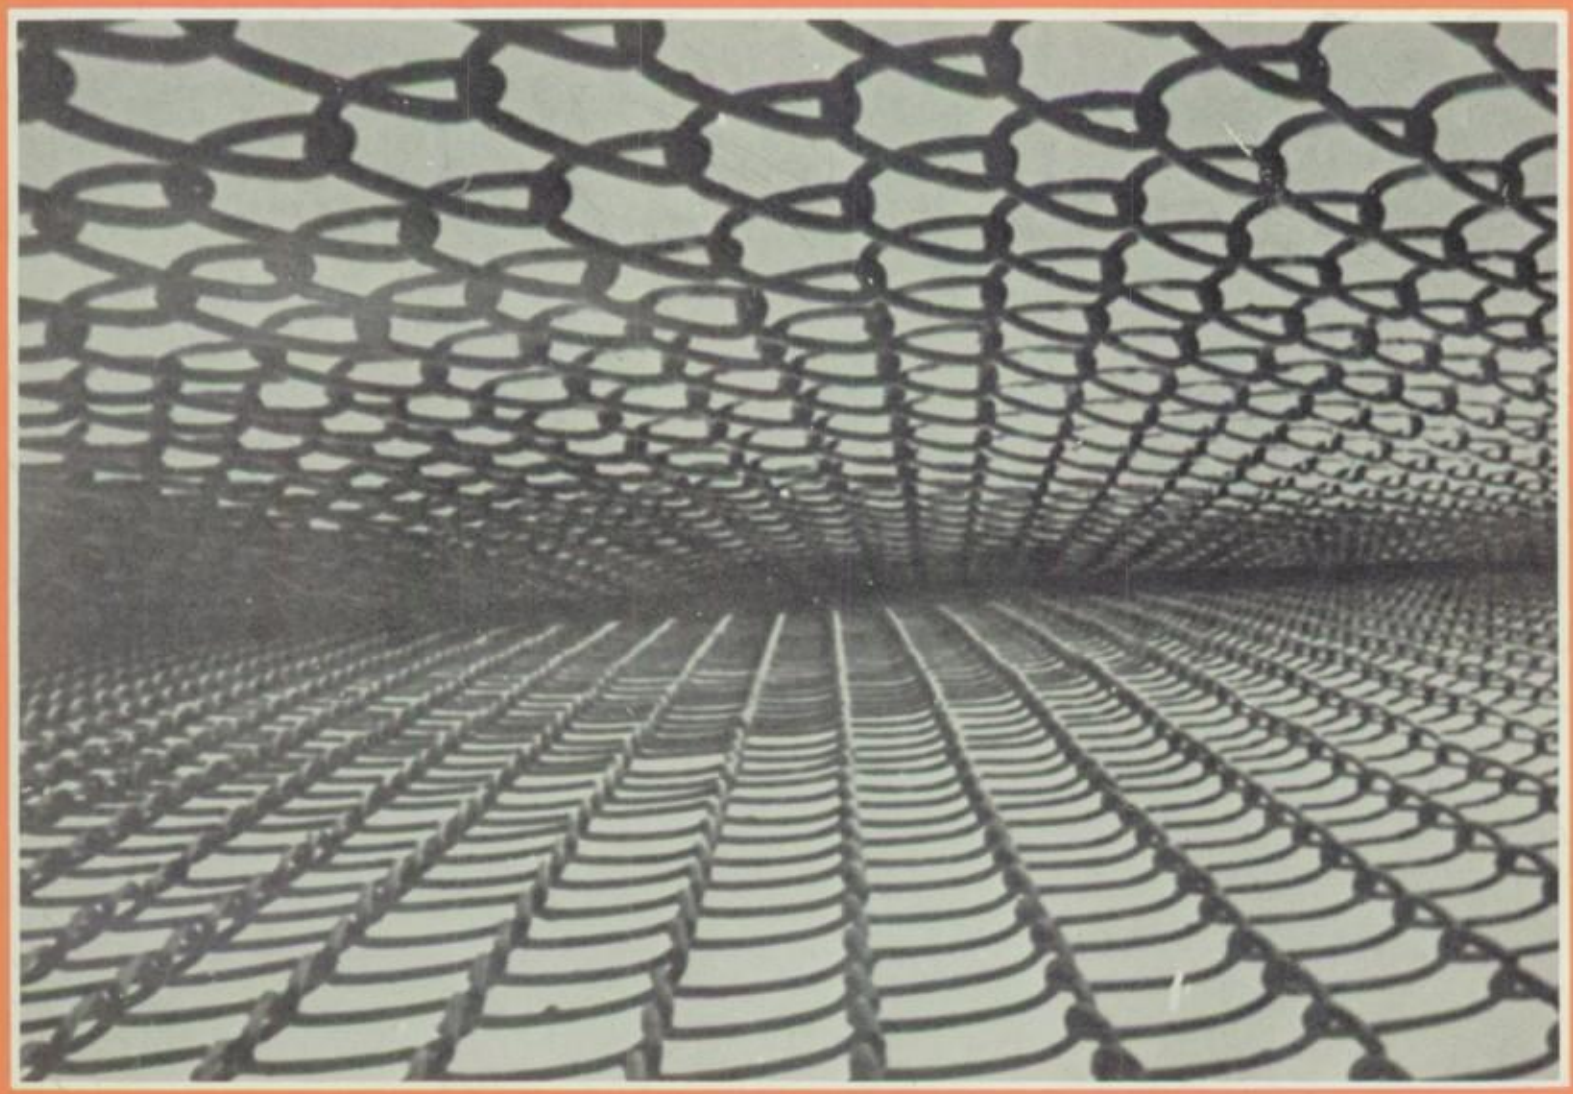
Every day is a new experience, new emotions to live through and understand. New fear, new love, new hate, new joy all change each minute of our lives, making them all unique and infinitely puzzling.







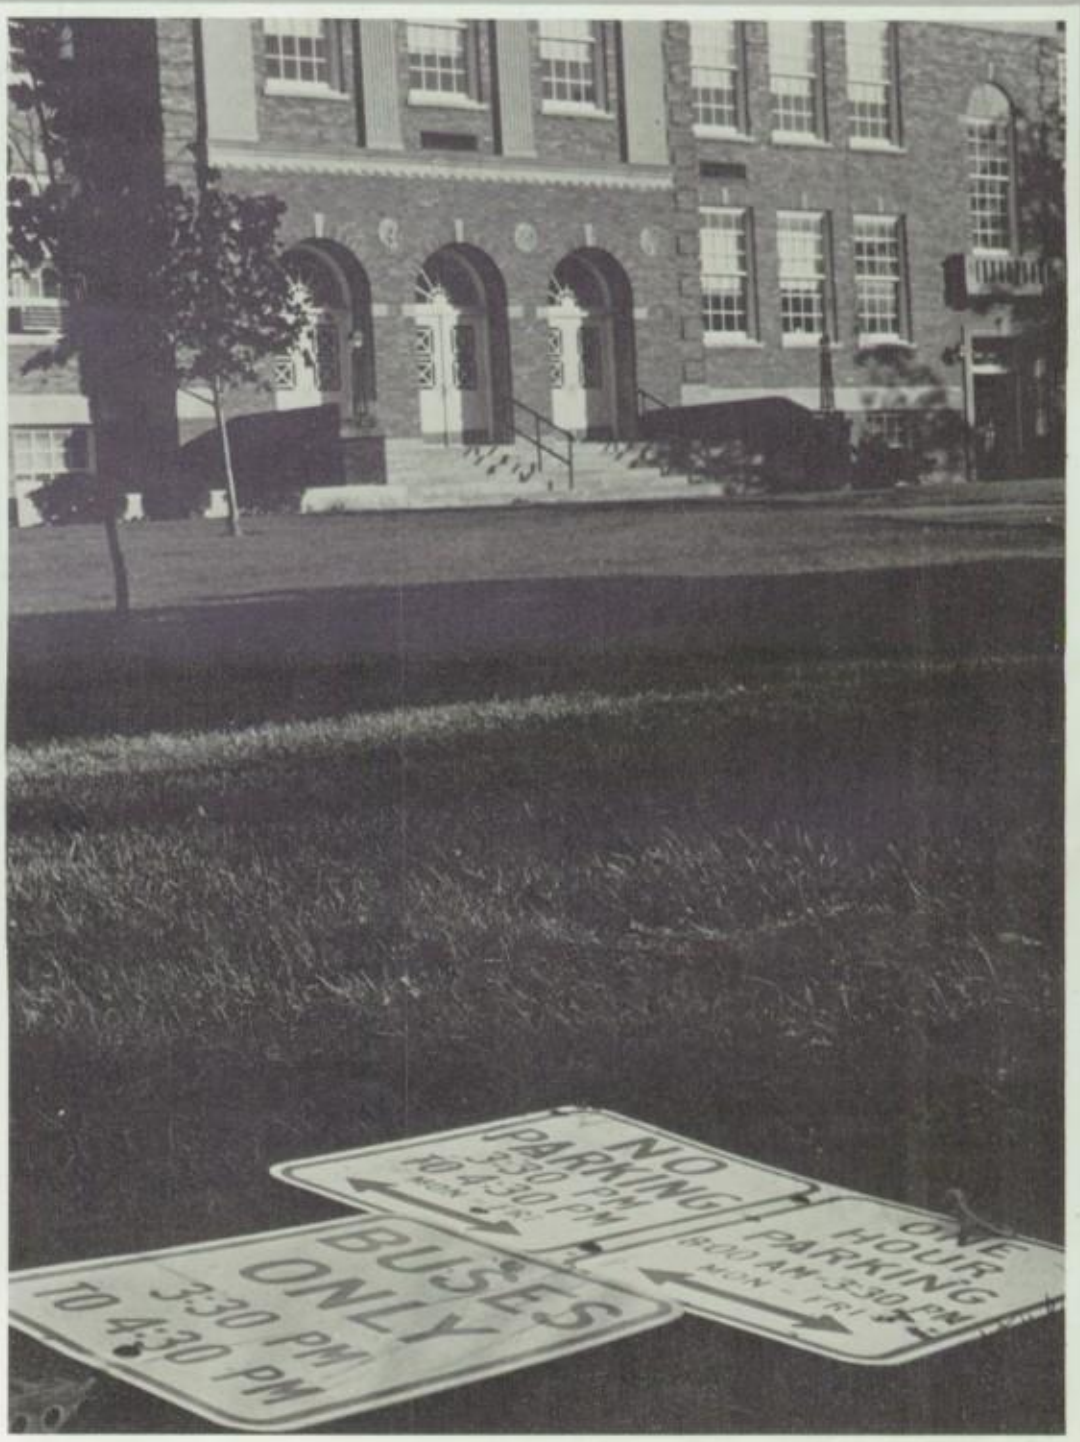
Living is forever reaching out towards the farthest boundaries of the sky, forever longing to be free and soar like a bird. To look back and see those troubles that have weighed us down left far behind, is to recognize the infinite possibilities of the future.

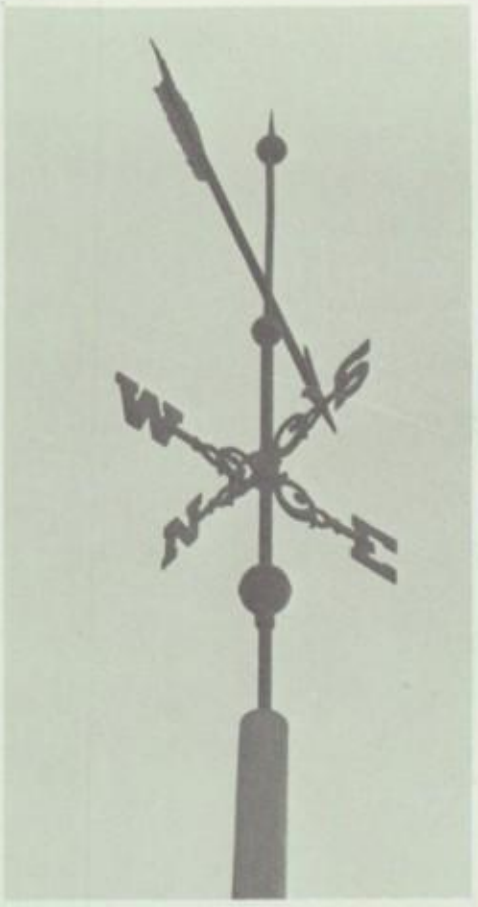
Tonya-

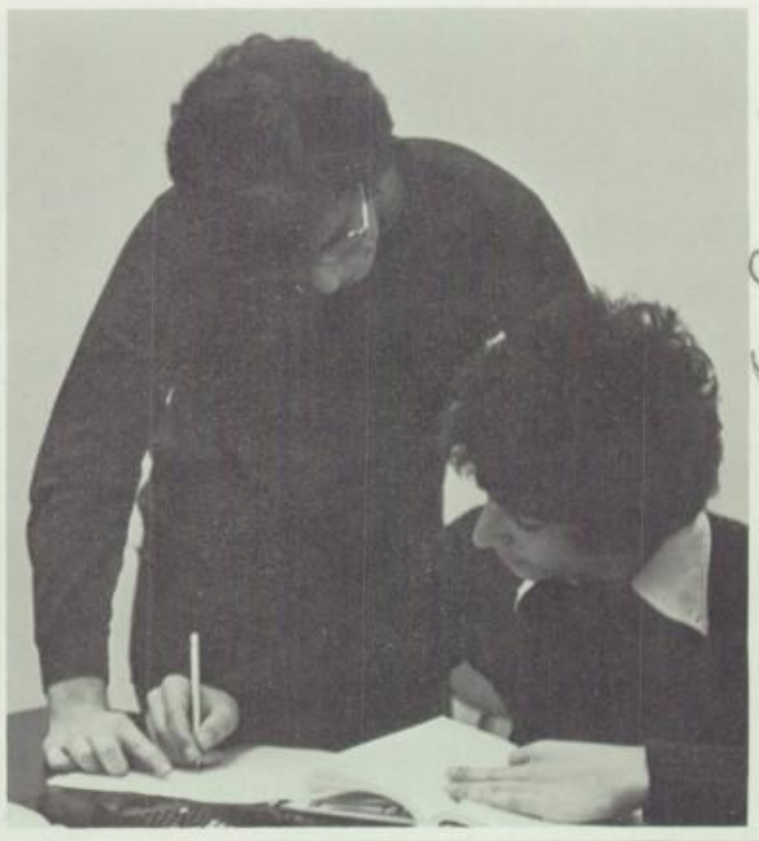
I've seen you occasionally this year. Like that big word? But you were always funny - and from what I saw this year - laughing down the hall, acting somewhat like a crazy person - you still are funny.

See ya' next year.

Luv,
Tammy







Tonya,

It's so good to know you again. You're a great kid & a super friend. I'm gonna miss you - I wish you weren't moving. But - please keep in touch - OK?! Remember Mickey's party?? It was fun. & Remember when we were in Middle School together. Take Care & Keep in Touch. Love always, Sue Henning

Tanya, I was great getting to know you this year. I cant think of anything to write! You are a really nice ~~the~~ person and you have alot of feelings for other people. Have a good summer and see you next year.

It was really great knowing you this year. I wanted to tell you I'm really sorry about what happened between you, me, Jimmy & my cousin. Despite our feud we could of been good friends. Oh well. Hope you have a great summer. When you leave I hope you won't get to upset. Just think of all the people you will meet & all the good-goes guys you will see. Hope you have fun there. Come back & visit us some time & know when Jimmy calls he won't be to happy about you leaving because he still likes you. Oh well keep cool & keep smilin

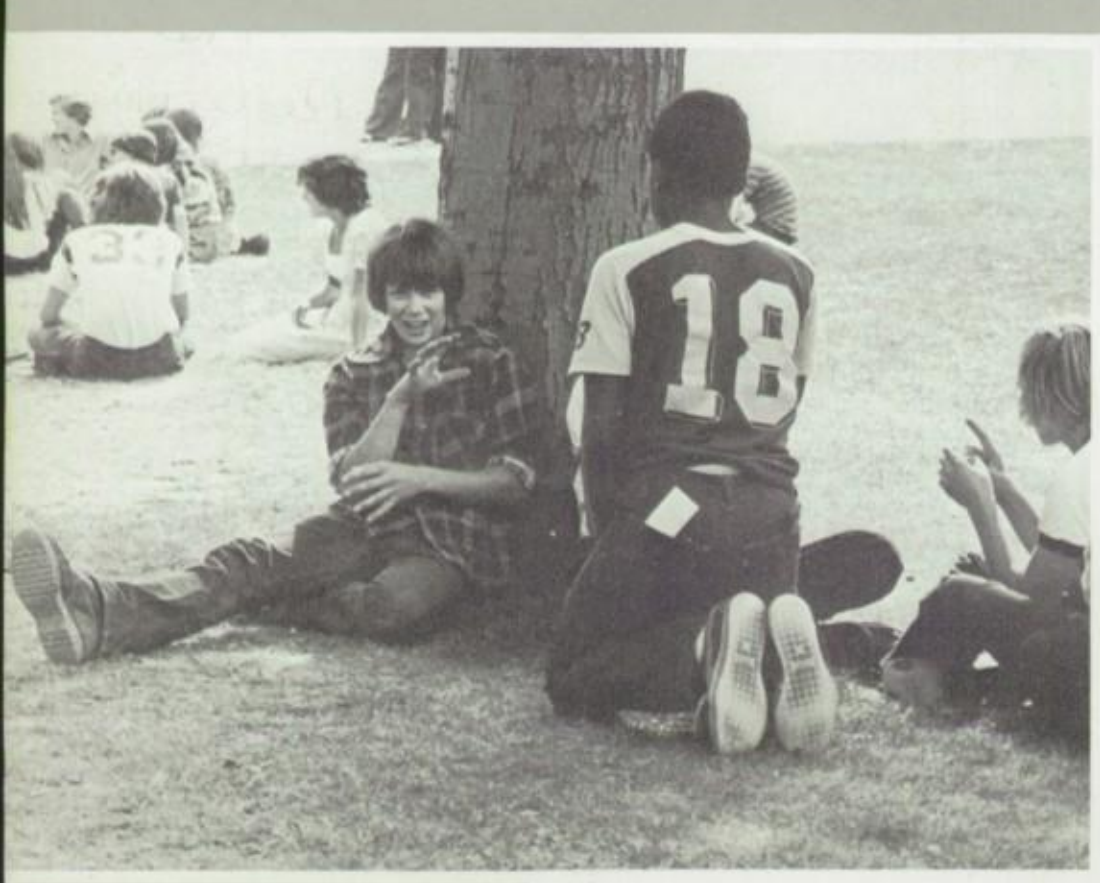
You cannot help to free others from the toils of life unless you have sought out the path yourself. Every being is unique, and each will seek freedom in his own way. To know yourself can set your mind free, let your soul reach for unbounded heights, and discover new meanings of life. To know the workings of your mind will help to lead you in understanding the freedoms of others.



It is so easy

But that emotion, that quality in our lives that we describe as happiness is so hard to keep in our possession.

The beauty which surrounds
us has a great influence

To create beauty is the most expressive way of showing joy to the world. The crystalline beauty of the stars, the subtle glory of the earth beckon each of us to attain greater heights, and try to recreate the most exquisite works of art, those which nature provides for us.

Each of us interprets beauty in our own way. This is what directs us towards those things which make us happy.

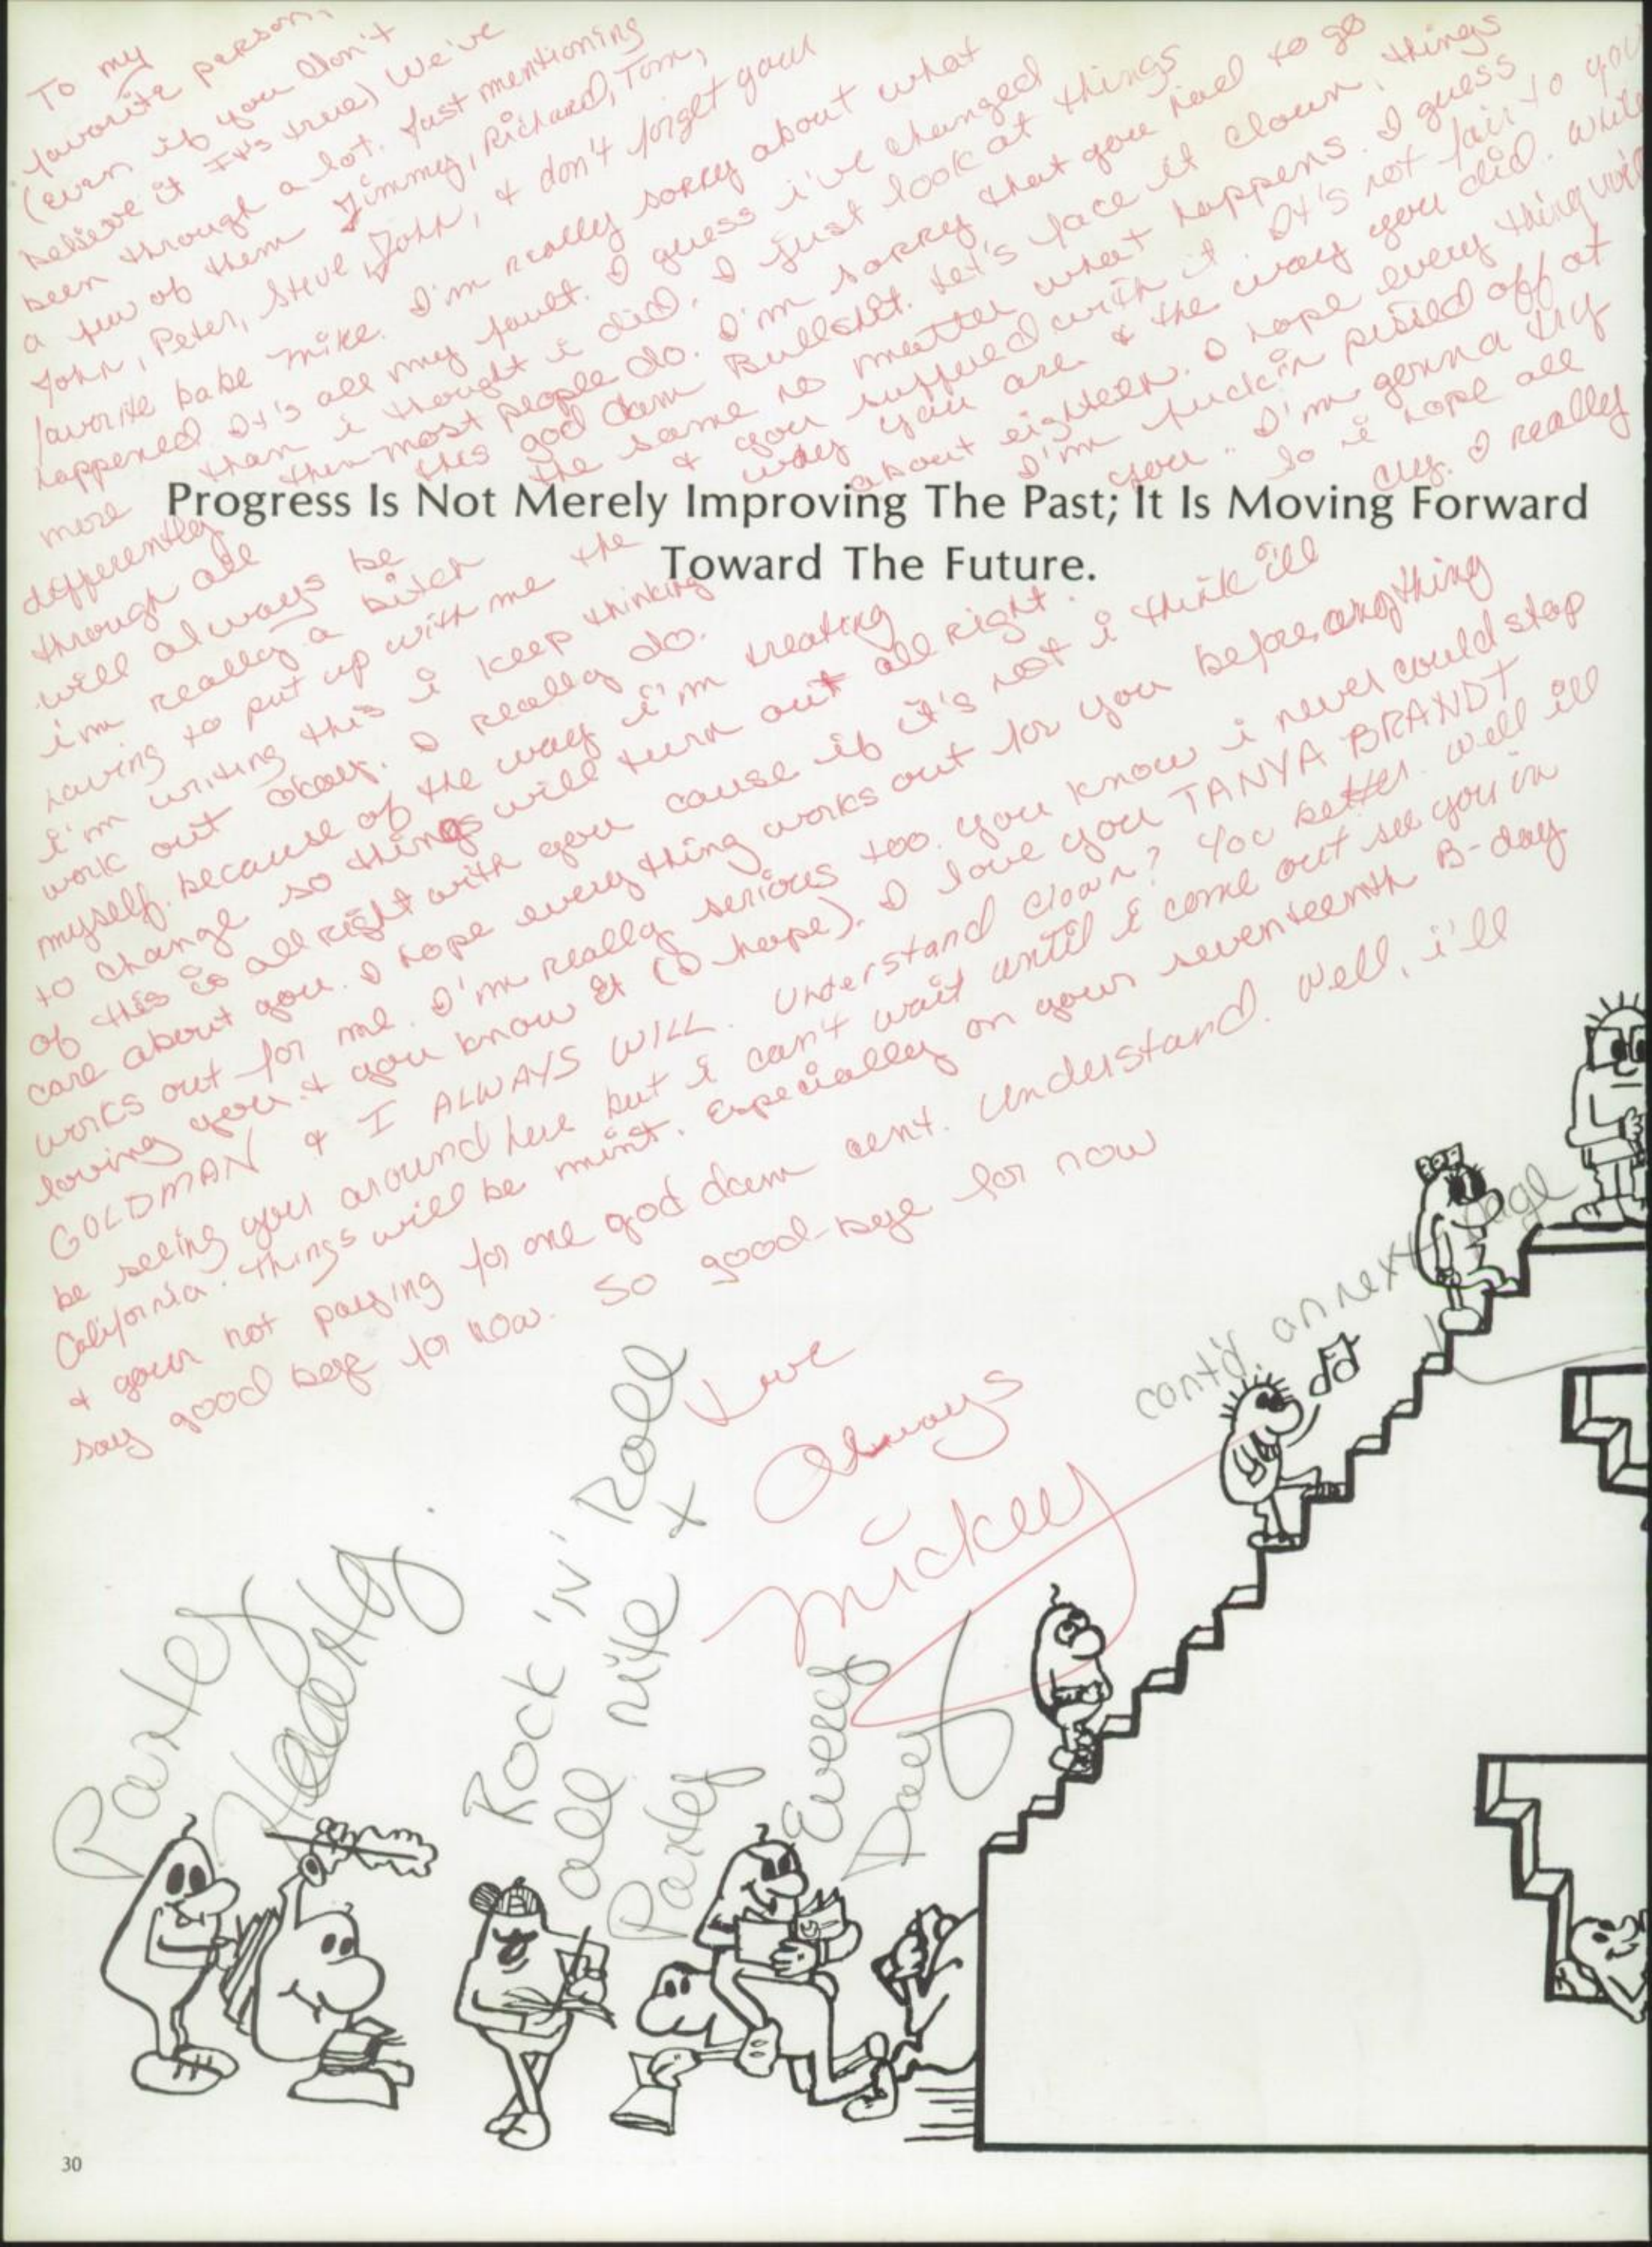
Progress Is Not Merely Improving The Past; It Is Moving Forward Toward The Future.



I'm writing in your book again. So what else is new?
I'm taking you out Friday + Saturday nite you can stick up for all of it so I think it wouldn't feel so good if you didn't. Besides it might ruin your wiggle + that wouldn't be fair. (If you know what I mean) Cause I love your walk. It wouldn't be the same if you couldn't wiggle in it. Believe me I think that was a real nice what she's been through. Plus how slow it was. That was a how low. especially when you're Puerto Rico + how slow it was. That was a how low. especially when you're straightened out. let's go back there again sometime soon. Then we can get out in California + be out in our place. Then something like that would be fair. Then we can get out in California + be out in our place. Then something like that would be fair. Then we can get out in California + be out in our place. Then something like that would be fair

sixteen springs and sixteen summers gone now
cartwheels turn to carwheels through the town
and they tell him take your time it won't be long now
till you drag your feet to slow the circles down

and the seasons they go round and round
and the painted ponies go up and down
we're captive on a carousel of time
we can't return we can only look behind from where we came
and go round and round and round in the circle game

Dear Tanya,
Well, one of these days, you're going to run out of turtle-necks to hide your neck-lessness - wanna-know - summer comes. Anyway, I wish your hair comes out the way I want it to, kiddo! Hawaii comes, maybe? Anyhow, take care of yourself, and your self-esteem, one year, one month, one week, one day at a time. Love ya,

Who's Behind The Paper At B.H.S.

The "Trapezoid", Brighton's Monthly Newspaper, has been the key to keeping the student body and faculty informed over the past forty-four years. It's name is derived from the fact that the plan of the original school resembled a trapezoid. The news is presented to the reader in many ways; through editorials, sports and straight news articles, and special interest features such as "Trappies" and "Teacher of the Month". The ones responsible for the success of this year's "Trapezoid" are as follows:

Editor-in-chief is B. McCrone, Managing Editor is R. Zapin, News Editors are D. Willinsky and J. Taub, Feature Editors are B. Eisenberg and C. Balch, Sports Editors are R. Pinsky and T. Gefell, Photography Editor is G. Horowitz, Staff Writers are N. Cauthen, A. Chadwick, W. Cohen, V. Fichman, B. Gardner, S. Gupta, R. Kastner, B. Kocen, J. Kohl, R. Koret, E. Lesser, D. Lewin, K. Lyu, K. Maas, K. Moss, K. Myers, E. Roth, C. Schiff, E. Siegel, J. Stein, R. Subar, J. Tempkin, L. Weinstein, J. Wrona, Sports Writers are D. Beckerman, A. Cohen, C. Feldman, M. Hilf, M. Lipman, A. Sherman, S. Schwartz, Business Staff are T. Booker, N. Dougherty, J. Fisch, B. Goldman, H. Hart, D. Klein, L. McGriff, K. Rose, M. Rose, Photography Staff is G. Boller, G. Burton, M. Davidson, G. Levine, Cartoonists are M. Hilf, A. Mills, D. Lewin, and the advisor is Mr. Richard Simon.

BRIGH-ANNUAL MINUTES

Five years ago Mr. Carl Weist began his administration of the total educational program when he became principal of Brighton High School. His responsibilities began with developing curriculum, evaluating instruction, and promoting productive relationships with students. That's the way it was .... September 1971.

The athlete is on a reach . . . striving for perfection within the boundaries of time and space. Competition offers the chance for opponents to bring out the best in each other, for one cannot attain outward greatness until it bounces back from his fellow man. Yet, this same athletic competition is rich in possibility for achieving greatness of the spirit. The most glorious moment in sport is when, through competition, the ego is transcended and the spirit is set free and soars to that place where it knows Itself.

Varsity Soccer

The Baron Varsity was in excellent form this season, losing only two of seventeen games and sharing the division IV championship with Pittsford Mendon. The Barons were deadlocked with Mendon in two hard fought double overtime games where neither team was able to score. Captain Dennis Mepham, an All County player for a third straight year, led the Barons in scoring with fifteen goals and seven assists. Captains John Bishop and Alan Wolff, junior Bill Mepham, and goalie Pete Dreyfuss, were also All County selections. Dreyfuss allowed only six goals in fourteen league games and had a total of nine shutouts.

Varsity

Led by Captains Ryan George and Tassone, the Varsity Gridmen tallied up a 2-5-2 final record. The Barons looked impressive in their first start as they ripped Sutherland 19-0. Despite the loss of Derrick Reeves early in the season, they've compiled an 11-2 record in the County East League where they hope to finish on top. Captain Dennis Mepham has led the team in scoring. En route to a 400 point season, Dennis has set the single game scoring record with 40 points against East Rochester. Bill Mepham and Larry Axelrod have played excellent defense while Jim Bittker and Irv McGill continue to do a job on the boards. Coach Mepham has done an excellent job in putting together a possible section V championship team.

etball

Frosh

The little Barons, led by co-captains Dave Williams and Phil Tellgren, have a current record of 5-5 and have high hopes for their remaining four games.

J.V.

The J.V. Barons have struggled through a season that has been disappointing thus far. They have managed a 4-12 record, but things are looking up as they have won two of their last three games.

Front Row: P. Titlebaum, M. Smith, M. Davidson, R. Garfinkle. *Second Row:* J. Heinle, J. Zukosky, B. Albert, J. Trousdale, D. Quick. *Third Row:* A. Hollowell, K. Stekloff, T. Whitney, K. Pearson, J. Barber, Coach Sherbinski. Missing: J. Turner, M. McKnight.

Coach Champeau calls it the best swim team Brighton has ever had. The Varsity finished with a record of 8-5. It had been a great team effort all year, with Mike Rivers, Rob Galbraith, Mike Bergin, and captains Lance Speer and Burke Miller leading the way.

Front Row: L. Norry, P. Klimas, D. Brams, E. Fenster, J. Zax, P. Adams, C. Vahue, S. Cohen, L. Weltman, M. Lisena, D. Bergin. *Second Row:* S. Reiman, D. McNamara, D. Gudovitz, P. Underberg, M. Under the excellent coaching of Steve Whitman, the J.V. swimmers have made fantastic progress. Led by captain Paul Klimas, they're an enthusiastic group who are bound to contribute to future Varsity success.

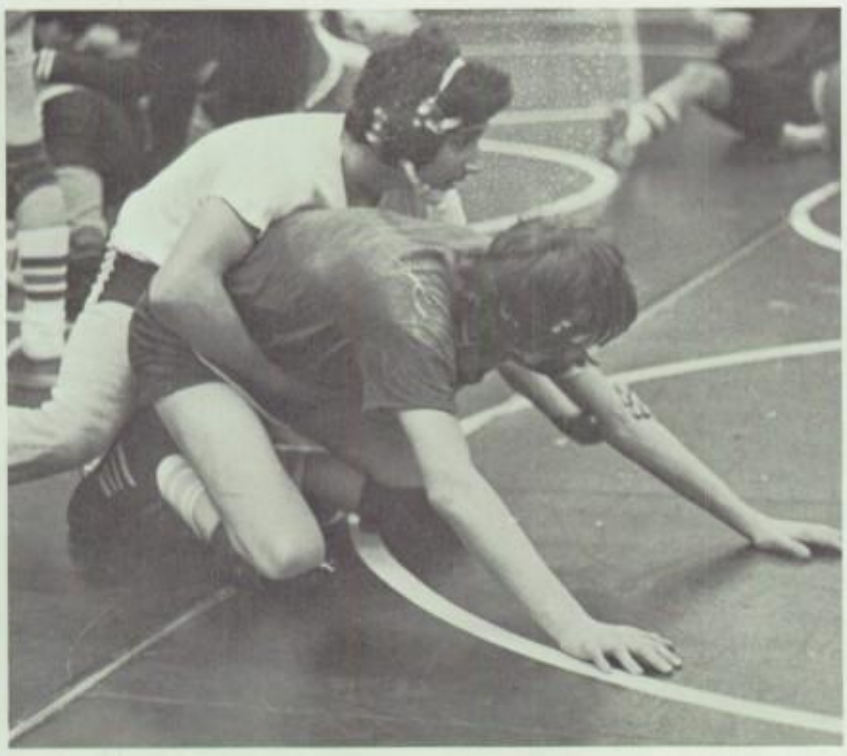
Wrestling

Front Row: S. Weingartner, B. DeVries, W. Carnall, J. Lundberg, P. Usdane, J. Gartner. *Second Row:* M. Sproule, R. Katz, O. Nahas, A. Nathan, B. Condemi, C. Morrow, J. Zelmer, B. Intemann. Missing: G. Curwin, M. Herzich, D. Jacobson, R. Nenno, M. Tellgren.

Coach Hoyt's and Coach Nicandri's grapplers finished with identical 5-9 records this season. Varsity was led by senior captains Terry Murphy, Scott Lewis, and Mike Tellgren. Murphy, Lewis, and Tony Clark had outstanding seasons but the Barons couldn't seem to put together a strong enough team effort. Mark Evarts and Steve Levine, two very impressive freshmen, were stand outs on the J.V. squad and look promising for future Varsity competition.



After getting off to an excellent start, winning four of the first five games, the Barons' ice hockey team has been winless through all of January and February. Inexperiance, lack of offensive strength, and injuries to Ned Crow and Rob Levine have been major factors in their disappointing season. All-Star goalie Mike Horst led the defense with help from Dave Brayer, Ian Commingham, and Andy Wright. To Coach Haims, the future of his young team looks very promising.

Hockey

Front Row: K. Gordon, T. McGrath, K. Maas, D. Brayer, M. Horst. *Second Row:* R. Costa, D. Berkeley, K. Bishop, R. Morrison, A. Hartmann, K. Soble, Coach Haims, I. Cunningham, R. Levine, J. Front Row: A. Stone, P. Young, G. Shmale, L. Durland, R. Ford, L. Holahan, J. Bishop, B. Adams, C. Holahan, A. McDonald. *Second Row:* F. Towner, S. Miller, G. Meagher, Coach Bissell, A. Guy, D. Acquilano, B. Porter.

Skiing

Downhill and Cross Country skiing had to make it on their own this season without school funds. Seniors Greg Shmale, Lew Durland, and John Bishop did well in competition, but the highlight was the abundant snowfall. It was a casual season, made possible by the enthusiasm of the team and the generosity of coach Bissell.

Baseball

The 1975 Varsity Baseball team, under the direction of Coach Ververs, did not play to their potential and therefore suffered a losing season. "When the pitching was there, the hitting was not and vice versa", agreed many of the players. Leading the team were Tesler (voted to All-County), Gager, and Hollander. The '76 squad will include many returning letterman of whom will try to improve last year's 3-14 record.

Front Row: E. Gager, M. Lewis, R. Tesler, D. Chodosh, M. Ritter, C. Feldman, *Second Row:* R. Soloman, S. Tierney, M. Nugent, S. Hollander, J. Bishop, Coach Ververs, R. Mink, B. Sharp, D. Mathews, P. Tirsch.

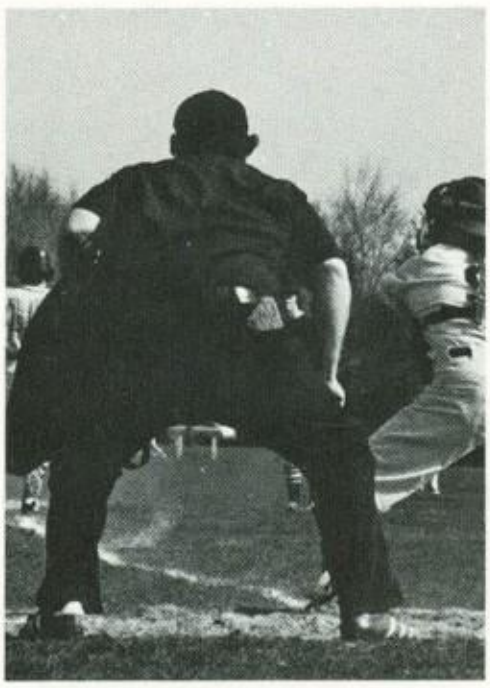
Coach Hoyt's JV Batmen, led by Jim Bittker and Danny Gray, coasted to a 8-9 record in the spring of 1975. Key victories over Rush-Henrietta and a team of hustlers proved to be the main ingredients for the Barons. The Varsity will be awaiting the presence of Bittker and Gray, along with Dave Luxemberg, Dave Quick and Greg Sale.

Front Row: M. Curcio, M. Ofsowitz, D. Luxemburg, *Second Row:* J. Giles, M. Burke, D. Forness, B. Blasnik, G. Sale, B. Adams. *Third Row:* Coach Hoyt, J. Bittker, B. Intemann, D. VanHeyst, G. Kusminsky, B. Morrison, D. Gray, D. Quick. Missing: W. Carnall.

The Freshmen Baseball team have a "heck of a lot of potential," says Coach Rick Simon. Fine leadership was displayed by co-captains Rob Ford and John Barber. They defeated both Pittsford teams and lost four one run games. The thirty-seven players out for the frosh team showed a great deal of enthusiasm but lacked experience.

Front Row: M. Casper, D. Weed, B. DeVries, A. Hartman, M. Sproule, G. Kuhar, R. Costa. *Second Row:* B. Cooper, A. Lindenberg, D. Harris, C. Myers, D. Rauck, A. Hallowell, R. Ford, J. Zukosky, S. Lustik. *Third Row:* J. Vahue, B. Albert, R. Kinsella, D. Green, J. Shah, Coach Simon, J. Barber, T. Whitney, J. Kremer, R. Cushing, S. Kanack.

BASEBALL !!!



Varsity

A well balanced, ably led, Baron track team posted an 8-2 overall record, while placing second in the county east division. The team of Chuck McAteer, Mike Baron, Mike Semeraro, and Joe Sproule set a new Brighton school record in the mile relay. The record setting two mile relay team consisting of juniors Brian Geary, John Tassone, and Joe Sproule, and sophomore Bill Mepham promises a bright future for the Baron track men.

Front Row: J. Wheeler, J. Beckwith, B. Ferrarone, H. Kotin, J. Ryan, A. McDonald. *Second Row:* J. Bellows, M. Murrer, T. Clark, L. Margolis, J. Kowal, A. Chadwick, S. Merriam, E. Gefell, M. Captains David Meiburg, Dan Gutherz, and Bruce Mink sparked the Junior Varsity track team to a fine 7-3 record. With outstanding performances coming from Todd Salzman, John Doolittle, Peter Titlebaum, Jim Pearson, and pole vaulter Lex Blaakman, the Barons were able to capture second place in the J.V. counties. The season saw a great deal of progress and four records broken. Brighton placed fourth in the freshman county meet behind the fine efforts of Titlebaum and Pearson.

Tennis Champs

Junior Captain Ron Pinsky and sophomore star Marty Lipman led the Varsity netmen to an unbeaten 11-0 record and the county Championship. Lipman and Pinsky were named to the All County first team in first and second singles respectively, after their victories in the county tournament. Marty went on to finish second and Ron fourth in the sectionals. Larry Axelrod, Dave Brayer, and Jeff Taub also played excellent tennis for the Barons. The Junior Varsity team promises to keep Brighton on top in tennis as they followed in the Varsity's footsteps by finishing their season with an undefeated 10-0 record. This was the final season for Varsity coach, Mr. Cox, who looks back on a successful 29 years of coaching Brighton tennis.

Indoor track has had an impressive turnout this season. Our runners have been highly successful, setting age group records in the four lap relay, 600 yard run, and 300 yard run. Liz Stahl, Heidi Tinnes, Debbie Dastyck, Donna Brown, and Linda Sullivan have done extremely well for the girls, while Tom Stegemann has been outstanding in boys competition. Brighton finished in third place behind Rush-Henrietta and Fairport in the divisional championships.

In only their second season of league competition the varsity tennis team placed three players on the All County Team: Sue Schwartz, who played first singles, and Cathy Holmes and Denise Klein, who played first doubles. The entire squad played consistently well and posted a 6-1 record.

This year the Field Hockey Team was divided into varsity and junior varsity squads, which had 2-7-1 and 1-5-1 records respectively. Coach Wilkins feels a J.V. team can give more people a chance to play, as well as groom future varsity players.

Tennis J.V.

Front Row: E. Fichtner, J. Fisch, L. Matons. *Second Row:* K. Moss, A. Goldsmith, Coach Riely, L. Handelman, M. Brent.

J.V. Tennis posted a 2-2 record in their first season. Coach Riely said some of the girls have varsity potential for the 1976 season.

Front Row: H. Silber, S. Goldstein, S. Tornatore, A. Fichtner *Second Row:* G. Mahalek, B. Germonto, J. Fenton, K. Junker Coach Riely *Third Row:* Meg Rose, Unice Sullivan, Mary Stets, Merrill Hilf, Kim Rose.

Coach Riely had an enthusiastic team this year which suffered several unlucky breaks. Two starters, Sherri Tornatore and Ann Fichtner both missed action because of injuries. The team will only lose three seniors, so hopes are high for next year.

Front Row: J. Park, J. Fisch, T. Lennox, K. Meyers, I. Wyagant *Second Row:* L. Dryfuss, T. Freswick, L. Matons, P. Flanigan *Third Row:* H. Silber, B. Wadsworth, L. Balconi, S. Wolff

New to Brighton this year was the girls J.V. Basketball team. For most of the girls being on the team gave them their first experience in organized basketball. The majority of the practice time was spent on skills taught by Mr. Gonzalez.

Girls Volleyball

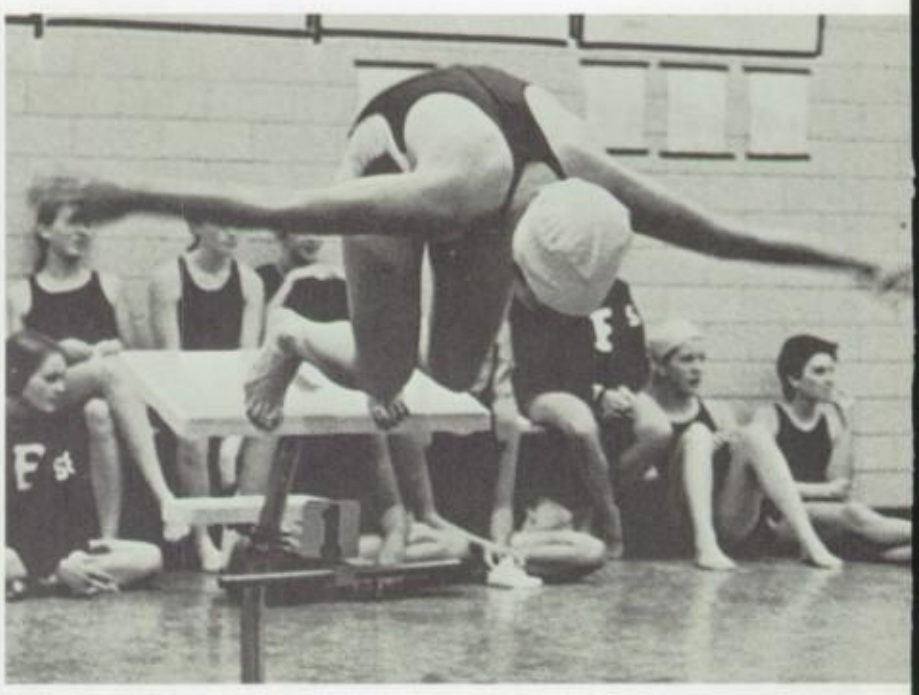
Front Row: C. Holmes, *Second Row:* P. Flanigan, S. Fugler, A. Fichtner, *Third Row:* T. Lennox, M. Hilf, *Fourth Row:* G. Taub, S. Robson, L. Toll, S. Schwartz, T. Ryan D. Columbo, Z. Ferin Missing: Jody Geiser

In his first year of coaching at B.H.S., Mr. Guerrara has done a fine job. Many hours were spent on practicing techniques the girls had never used before, and everyone was eager to learn. Team spirit was inspired by captains Cathy Holmes and Ann Fichtner. The final record of 5 wins and 7 loses was a respectable finish for the second year team.

Swimming

Front Row: D. Lee, K. Gaffney, S. Kamm, E. Hawkes, S. Tate, R. Gladstein, F. Chodosh. *Second Row:* B. Hickey, A. Sundell, L. Wells, K. Ford, K. Brodsky, J. Leyland. *Third Row:* S. Pope, J. Hawkes, Coach Champeau. Missing: L. Clarke.

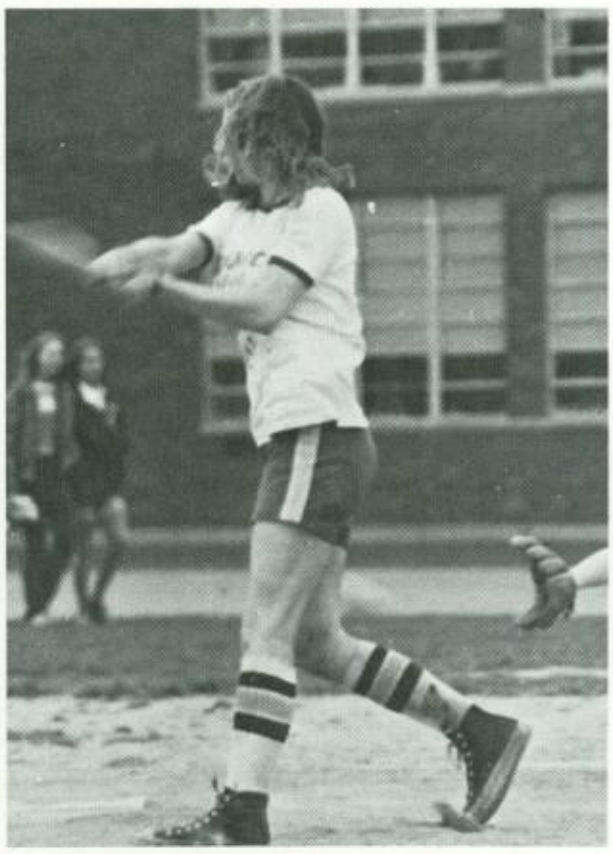
In only their second year the girls' Varsity Swim team was second only to Penfield in Section V. According to Coach Champeau, Brenda Hickey, an outstanding swimmer, has All American potential. Sue Pope was another superior swimmer, cutting her time in the 100 yard freestyle to under one minute. Goals for the 1976 season are beating #1 Penfield and obtaining first place in the sectionals.



Softball

Front Row: J. Fenton, C. Holms, S. Goldstein. *Second Row:* A. Fichtner, S. Tornatore, K. Lewis, S. Robson. *Third Row:* B. Cheney, L. Phillips, B. Kaul, Coach Freeman, J. Geiser, S. Schwartz, L. Wolfanger.

The girls' softball team was led last year by seniors Kim Lewis and Barb Kaul. Due to the sidelining of of Ann Fichtner, the team was not at full strength, but still managed a 4 and 7 record.



Best wishes for a long life

I like the school system in Brighton better than the system of my school in Germany. There, we have to take thirteen subjects per year (no choice), and they are even more specialized. I also really enjoyed my free mods between classes which gave me the chance to talk to people and make friends or work for my next class. In Germany we have school from eight to one p.m. and only a thirty minute break per day. There are no sports associated with the school; therefore, it was a great experience for me to go to football or basketball games and see how much spirit a school can have.

I want to thank all of you who helped me to make this year at Brighton High School a great year for me and wish you all good luck.

This year I was very fortunate to have an exchange student, Gil Raviv, from Kibbutz Nahal Oz in Israel. Gil is different than me; he is quiet and sane, and we got along well (law of opposites) despite the two hours we put away arguing everyday.

Gil felt Americans were more open than Israelis. School-wise he thought we had it easier here at Brighton, and I'm sure he wasn't influenced by my rigorous schedule. He finally did come to realize that some students were working hard. Being a photographer and painter, Gil really enjoyed the darkroom, art rooms and artistic supervison. I know from personal experience (just one more question, Ken ..... please?) that he learned a lot in math, and he improved in English (people were asking him questions on grammar and usage).

Overall, we both had a really good time, and we both know he will never forget his experience at the Klein's and at Brighton High School.

June 2, 1976

Dear Tanya, Wan, Wandad, Wanny, Tano etc. etc.

Well kid, I guess this is it. The time has come not only has another year has come and gone and so have you. The time has come when I must say good bye. But before you go I would like you should know: We have been friends for a long time and we have been through a lot. Some of these things should never be forgotten. With Donald in hike, Wannies, Kenyodas and now have changed, for worse the old. What there wasn't lousy kid. You'll always be a trust. love, care about there even when the going's the beg of the schoolyear you I've gone west. Now the time has come when you go on, and I stay here. Life in California is going to be terrific you will have always friends. Damn good ones here in Rochester and good ones in Calif. Never forget us hun? I'm now going to tell you something that I know you know, but it's good just to hear it. I do when you get on that plane and now away, I'm pure going to miss you. Sure have had our fights arguments etc. Sure you have paid things & sides so have I yet we had a true friendship that was beautiful something only friends could possibly know. But words would be useless without them. In a way I want this to be good-bye, yet in a different way I want this to welcome you to a different and new life, a new life where you can do, see, say, anything you desire. I found have fun, I tell you, I'm damn sure I will!! I could have someone who I care about and I know you got on forever, but before I close remember what you once told me, and I still have the note) "Don't be afraid to go out on your own. Be a little different." Your always in my prayers and in my thoughts don't forget me back we've been through one of both of us's K?

Marla Jane Finestone: In Memoriam

To all the ephemeral flowers
That bloomed too briefly,
We will not forget you.
We will not forget you
Because you are beautiful to remember,
And we have consumed your beauty too often
To be free of this debt.
We cannot forget you
For the fields flaunt their emptiness without you.
We remember the days in which you existed
And you exist in the memories of the days.
We must not forget you
Or we forget our own flower-like qualities.
— written for Marla by Carolyn Schiff —

Tanya Toaya,
You must be keeping because
I haven't seen him out this
year. I still have the scars
on my ass. Have a nice
summer and don't beg
Miss Kess) man too
much

Super Duper was fun
and having you around
The bookstore made
my day better. I hope
you will write me. I
will really miss you.

Final Wrapup:
What a year! Who can forget when we, in our inexperienced innocence, leafed through old yearbooks ate yum-yums at Tony's house this Sept. Ignorance may be bliss, but it wasn't here to stay. Before long, Wendy was punching out nasty notes and receiving nonsense of superior quality in response. Butterflies are free, but moths are 50¢ a piece. We started a new system of meeting deadlines; no identification of people, typing of copy, or printing pictures could be done within 48 hours of Tony's arrival. As a rule, instant artwork was produced in response to a multitude of blank space. We would like to use this space as a tribute to our photographers . (I thought YOU did the tribute!) Arby's, Arby's, and MORE Arby's (thanks to Lisa B.'s mother). We knew that all sanity was forsaken when the "Head" got a nightgown (a cowboy hat was bad enough) and Burke found his life's calling as a circular typer. Lunching in cafeteria C . . . "We ran out of S's!" "The Lactiplasti — what?" "Karen, wasn't that your dad that just walked by?" After all of the craziness . . . mayhem . . . hysteria . . . enthusiasm . . . frustration . . . threats . . . the end result was *success.*

SINCE 1920 MAN HAS GROWN 17 YEARS OLDER

Anyone born in the U.S. in 1920 had a life expectancy of 54 years.

The average child born today can expect a life span of 71 years.

The reason for the extra 17 years? The progress made by modern medicine and all of the health-serving professions.

We are proud that Castle equipment in hospitals and doctors' offices is helping to contribute to man's lengthened stay on earth.

And to a more healthful life while he's here.

Dear Tanya,

I'm really glad we got to be good friends again after 8th grade. I'm really gonna miss you! Please write to me. I really don't know what to say. I'm glad we had our talks. I think we know each other pretty well. I hope before you leave we can get together. We've really missed out on it this year. We went to a movie once, remember? We found out each others personals. It was fun! I want you to call me, and we're gonna get together. I always try calling you... but....

Well take care!

Love ya,
Barb
